## President's Report – 2021

As did Trinity UC, TJF coped with a second year of the pandemic, refining meeting skills via Zoom and learning how to present information online.

We welcomed Dave Gibb back after a year's mandated absence from the Board. He returned to his former position as Treasurer. Continuing on this year are Mark Cuddy, as Secretary, Rosemary Gibb as President, and the following Directors: Gloria Sorge, Irene Savage, Danielle Parenteau, and Sara Grimwood.

We were excited to be able to present a TJF campaign this past year. In 2020, we were blindsided by the pandemic. We did not know how to run an online campaign, or if, at a time of financial uncertainty for many, we should even be asking the congregation for donations. But this year, having honed our technological skills, we invited Arlene McKechnie from TEMBO, to Zoom in with us on April 25 to tell us about the wonderful work being done to educate girls in remote parts of Tanzania. Arlene screen-shared an array of interesting photos that transported us to the areas where TEMBO was working.

During the May 2 Sunday service, we read letters from EcoEquitable, a job training sewing program in Ottawa, and from Water Aid Canada, which provides clean water to many parts of the world. The letters expressed appreciation to TJF and its donators, saying that the financial support given by TJF over past years has made a significant improvement in the lives of many people. In fact, EcoEquitable is now self-sufficient and no longer needs our support.

A bonus at that May 2 service was the beautiful gift of music offered by Noemi Parenteau Comfort.

The following are the four projects that donators from Trinity supported in 2021:

**1. TEMBO: Tanzania Education and Micro-Business Opportunity:**

\$3000 to the Girls Sponsorship Program in Tanzania in order that 40 to 45 girls could be admitted to secondary school and supported in their four years there.

**2. Malawi Water Project:** \$4000 to provide clean water and improved sanitation in Malawi. Villagers are taught how to construct household biosand water filters and how to repair and maintain water wells.

**3. Guatemala Stove Project:** \$4000 to fund the "*Cookstoves for Primary Schools in Maya Communities*". This funding will enable the construction of four chimney-vented school cookstoves in rural Maya communities and the purchase of nutritional lunch supplements.

**4. Embrace International Foundation:** \$5000 to help provide home-based rehabilitation services such as physiotherapy, occupational, and speech therapy to children living with disabilities in the rural western part of Uganda.

Since TJF was established in the year 2000, we have made 60 awards totalling \$287,210.

On behalf of the TJF Board of Directors, thank you so very much for your continued support of worthy projects such as these.

Rosemary Gibb,  
President  
Trinity Jubilee Foundation
